Education

VOCATIONAL HIGH SCHOOL 1 NGAWI
School Major : Computer and Network Engineering, GPA : 82,   Ngawi, Indonesia
Certification ICCOSH : Local Area Network Engineer   2019

Experience

Student Council at VHS 1 Ngawi   Ngawi, Indonesia
Vice Chairman   July 2016 - July2017

- Being given the opportunity to be vice chairman of student council in my youth is a special advantage for me so that I can learn to communicate and organize.
- Supervise the running of all student organization meetings.
- Overseeing the process of student organization event planning

Student Council at VHS 1 Ngawi   Ngawi, Indonesia
Secretary   July 2017 - July 2018

- To be even better, I had the opportunity to become a secretary of the organization I was involved in, to develop the administrative field and to play an active role in recording all activities at school.

Leadership & Activities

Indonesian Heritage Flag Raising Troops   Ngawi, Indonesia
Indonesian Flag Hoist   17 August 2017

- Our main task is to raise and lower the Heritage Flag (now a duplicate) in the commemoration ceremony of the Independence Day of the Republic of Indonesia

Palestinian Orphans Fundraising with Smart171 Organization   Ngawi, Indonesia
Coordinator   September 2020 - September 2021

- The activity we do is to raise funds in our area with teenagers to set aside money so that it can be donated to orphans in Palestine

Student Association of SMK Negeri 1 Ngawi   Ngawi, Indonesia

Chairman Of The Organization   January 2021 - Now

• Because of the low level of awareness to continue their education to college, our job is to help and mobilize our friends who are in vocational schools to continue their education in college.
